"Got my house sign last week had so much fun no one believes I designed it myself"

**Mary Wakefield Tamworth uk**

"Very happy with the grave stone mom and dad are buried in England I know they would like a little something from Ireland"

**Martin O'Brian New York**

"I left Ireland 20 years ago to work here just nice to see a bit of Ireland when I return home each afternoon"

**Dermot Shelly Birmingham West Midlands**

"Thank You good work"

**Tom Ryder NSW**

"I have been to Ireland once and my house sign brings back so many happy memories"

**Viv Derby**

Thank you for helping me out, you were very quick (you said you wouldbe!) the coasters arrived 2 days before my friend's wedding she was so happy with an unusual present that stood out among the toasters, towels and bed sheets I promise I will order in time from now on.

**Stuart Dublin**

We got the plaque yesterday it looks amazing even better than expected which is saying something because I already had high expectations the twisting hound are so real

**Pat Molly Newcastle**

You knew from my emails I had concerns about ordering on-line. Thanks for all your support

and helping me with my order, the sign looks great

Your plaque is definitely in keeping with the character of my home and stand out so well. I feel part of the team as I designed it and you guys crafted it to such a high standard.

### **Nick Devon**

Lost my little pet last year after 12 happy years I had him since he was a little puppy the memorial looks so nice in his little corner of the garden which I can see from my kitchen window
